All orders should be placed by the 10th of the month (by 11:59 pm Central time) prior to when you will need them on your local commuter account. Funds will then be available on the first day of the following month. For example, if you place your order on November 10, funds will be available by December 1.

You can also place a recurring order to ensure you have funds in your local account transit/commuter account each month.

Success!
